Chinese Journal of Scientific and Technical Periodicals
Vol. 36, No. 12, December 2025 Monthly

CONTENTS

From “academic platform” to “policy advice and suggestions”: The 35-year evolution of functions of <i>Chinese Journal of Scientific and Technical Periodicals</i>	TANG Guoyuan, ZHANG Wei, YANG Heng, LIU Jinya 1613
Exploring the think-tank capacities of journal from the view of think tank research	LIU Xiwen 1627
Nature, characteristics and think tank capacity building of scientific journals	LI Zhengfeng, ZHANG Hui 1629
Practice and reflection on the cluster development of periodicals in the digital and intelligent era: Taking Chinese Medical Association Publishing House as an example	WEI Junmin, LIU Zhijie 1635
Current situation and prospects of the construction of first-class scientific journals in universities	ZHANG Tieming 1641
Developing academic journals that support research in Chinese scientific journals: Written on the occasion of the 35th anniversary of the founding of <i>Chinese Journal of Scientific and Technical Periodicals</i>	CHU Jingli 1644
Implications of university think tank development for scientific journal think tank development	YANG Zhongkai, CHEN Pengyu, LIN Deming 1646
Build a classic brand and shoulder the responsibility of the times: Commemoration of the 35th anniversary of the founding of <i>Chinese Journal of Scientific and Technical Periodicals</i>	LIU Xiaomin 1652
Reflections on enhancing the research capabilities of publishing think tanks	LI Yuan, YANG Liying, LIU Xiwen 1654
Reflections and recommendations on the building of think-tank capacity of China’s scientific journals	HE Shujin, SHENG Wenping 1658
Research on the functional evolution and development pathways of scientific think tank journals	LIU Zhiyuan, WANG Wei, LIU Junli 1663
Building and practicing the “three-dimensional bridge” in scientific journals from the perspective of think tank function development	HOU Chunmei, HE Haoyu, SUN Liwei, CHI Xiuli 1669
Unforgettable memories of a university without walls: Commemorating the 35th anniversary of the founding of <i>Chinese Journal of Scientific and Technical Periodicals</i>	MA Zhi 1675
Mentor and friend on the path of growth, guiding light for career development: Reflections on the 35th anniversary of the founding of <i>Chinese Journal of Scientific and Technical Periodicals</i>	ZHENG Xiaomei 1679
My 20 years with <i>Chinese Journal of Scientific and Technical Periodicals</i> : Witnessing growth, heading towards the future together	REN Yangang 1683

Illuminate·cultivate·be seen·reach far: My scholarly bond with <i>Chinese Journal of Scientific and Technical Periodicals</i>	WANG Jingzhou	1686
20 years of <i>Chinese Journal of Scientific and Technical Periodicals</i> accompanied my growth	LIU Tianxing	1690
“Four in one” initiative gathers the development strength of journals and creates a first-class platform for academic journal research	WANG Weilang	1693
Three innovative pathways for deep integration in journal publishing in the digital intelligence era	HE Zhaohui, XIAO Hong	1695
Paradigm shift and future of scientific journals in the AIGC era: Evolving from dissemination and services to knowledge co-creation	ZHENG Shanshan, LIU Tianxing	1703
Subject distribution in multidisciplinary scientific journals: A comparative analysis based on leading journals	ZHAO Weijie, WANG Guilin, REN Shengli	1712
Practice and reflection on establishment of short article columns in engineering and technology journals: Taking <i>Chinese Journal of Aeronautics</i> as an example	WANG Jiao, LI Mingmin, SONG Jinchao, CAI Fei	1721
New opportunities and focal points for the high-quality development of China’s scientific journals	GUO Wei	1730
Multidimensional analysis of development challenges and high-quality advancement strategies for SCI-indexed Chinese scientific journals	LIANG Ye, XIAO Suhong, LIU Xiaocheng, YAO Jinjin, LUO Dong	1737
Current status, challenges and future directions of China’s bronze OA scientific journals in the open science era	DENG Lüxiang, ZHANG Pingping	1749
Analysis of current status, barriers, and development pathways for science popularization by Chinese scientific journals: An empirical study based on a national questionnaire survey	WANG Xia, LIU Yang, ZHANG Xin, ZHANG Tieming, LI Cuixia, WENG Yanqin	1757
Constructing and analysis of an evaluation system for the international publishing of Chinese scientific journals based on grounded theory approach	FU Guole, ZHANG Zhiqiang	1768
AI-empowered competency transition of scientific journal editors in media convergence: From process execution to participatory governance	ZHANG Fan, WANG Xiaozui, OU Licheng, YANG Liuchun	1776
Exploration on the capacity enhancement and development path of academic journal editors	LI Mingmin	1784
Characteristics of retracted articles with computer-aided or computer-generated content in the medical field	LI Yaping, LI Chuwei, DING Zuochi	1791
Legal issues and countermeasures in the cooperation between China’s STM journals and international databases: Taking Shanghai biomedical journals as an example	WANG Linhui, WANG Erliang, WANG Ying, TIAN Tian, NI Ming	1800
